Thanks for forwarding! I was checking the main DOGGR page and not District 3! It will be good reading material for tomorrow! Enjoy your weekend as well! I am in for a half day and then on leave in the afternoon.

I am meeting Chi Ho for breakfast next Wednesday...I am wondering if he knows something about the contract.

Good afternoon, Michele

It was great to meet you at the meeting yesterday in Sacramento. I have made a CD with the Arroyo Grande application and it will be overnighted to you. There are three files. One is the complete application, one is just the paper portion, and the third is just the appendices. Let me know if you have any questions and/or concerns. The official submission of the application will occur after the public comment period and hearing. The public notice went out today in the San Luis Obispo Tribune and on our website at:
http://www.conservation.ca.gov/dog/Pages/aquifer_exemptions.aspx Have a great day and I look forward to working with you and the rest of the EPA.
